Pre-Pay Electricity and Water

Your e-Wallet

Your e-Wallet is an account that is created with a 16 digit number. On registration you will receive an SMS message on your Cell Phone which indicate your 16 digit reference number.

How to fund your e-Wallet

- You transfer money to your e-Wallet via the following:
- Direct deposit at any Absa Bank ATM

- Direct deposit at the bank
- Cell Phone Banking
- EFT via Internet Banking
- GCT Pay: Download from PlayStore or AppStore

Please Note:

- When transferring funds from another bank other than Absa Bank, a 24 to 48 hour period is required for funds to be cleared by the individuals banking institutions.
- Extra bank fees are charged on Cash Deposits.

Banking Details for Deposits:

ABSA

Account Name: Grid Control Technologies (Pty) Ltd
Account Type: Current
Branch Code: 632005
Account Number: 4103624101
